CHARACTER AND CAPACITY

Long ago, a man I deeply respect and admire shared with me his philosophy about qualities he looks for in people, organizations, and communities. He defined it with two simple, but powerful words—**character and capacity**.

The year 2018 became a defining moment when we, as a community, displayed our character and our capacity. We not only raised ourselves above the ashes and debris of personal heartbreak, but we also lifted up others in our community who needed our help and care following the devastating fires and deadly mudslides we experienced.

All of us at VNA Health, formerly Visiting Nurse & Hospice Care, thank you for inspiring us with the quality and strength of your character, and for your financial support. You helped us build our capacity to meet the healthcare needs of our community during the disasters and immediately following those harrowing days.

The great privilege to be your hearts and hands to care for our community is a responsibility we do not take lightly.

Last year, your gifts, and our gifted caregivers, helped nearly 10,000 patients and families in our community maintain their health, live independently, recover from illness, receive bereavement support, or transition at end of life with dignity and comfort.

The following pages of this annual report reflect not only your generosity and trust in VNA Health, but also the thousands of others who share your desire to provide compassionate and trusted care to our community. Let me encourage you to take a moment to look at the names of those who have joined you in giving to VNA Health to provide the gift of hope and comfort to so many in our community—and help us to thank them as well.

Because of you, **character and capacity** are in abundance in our community!

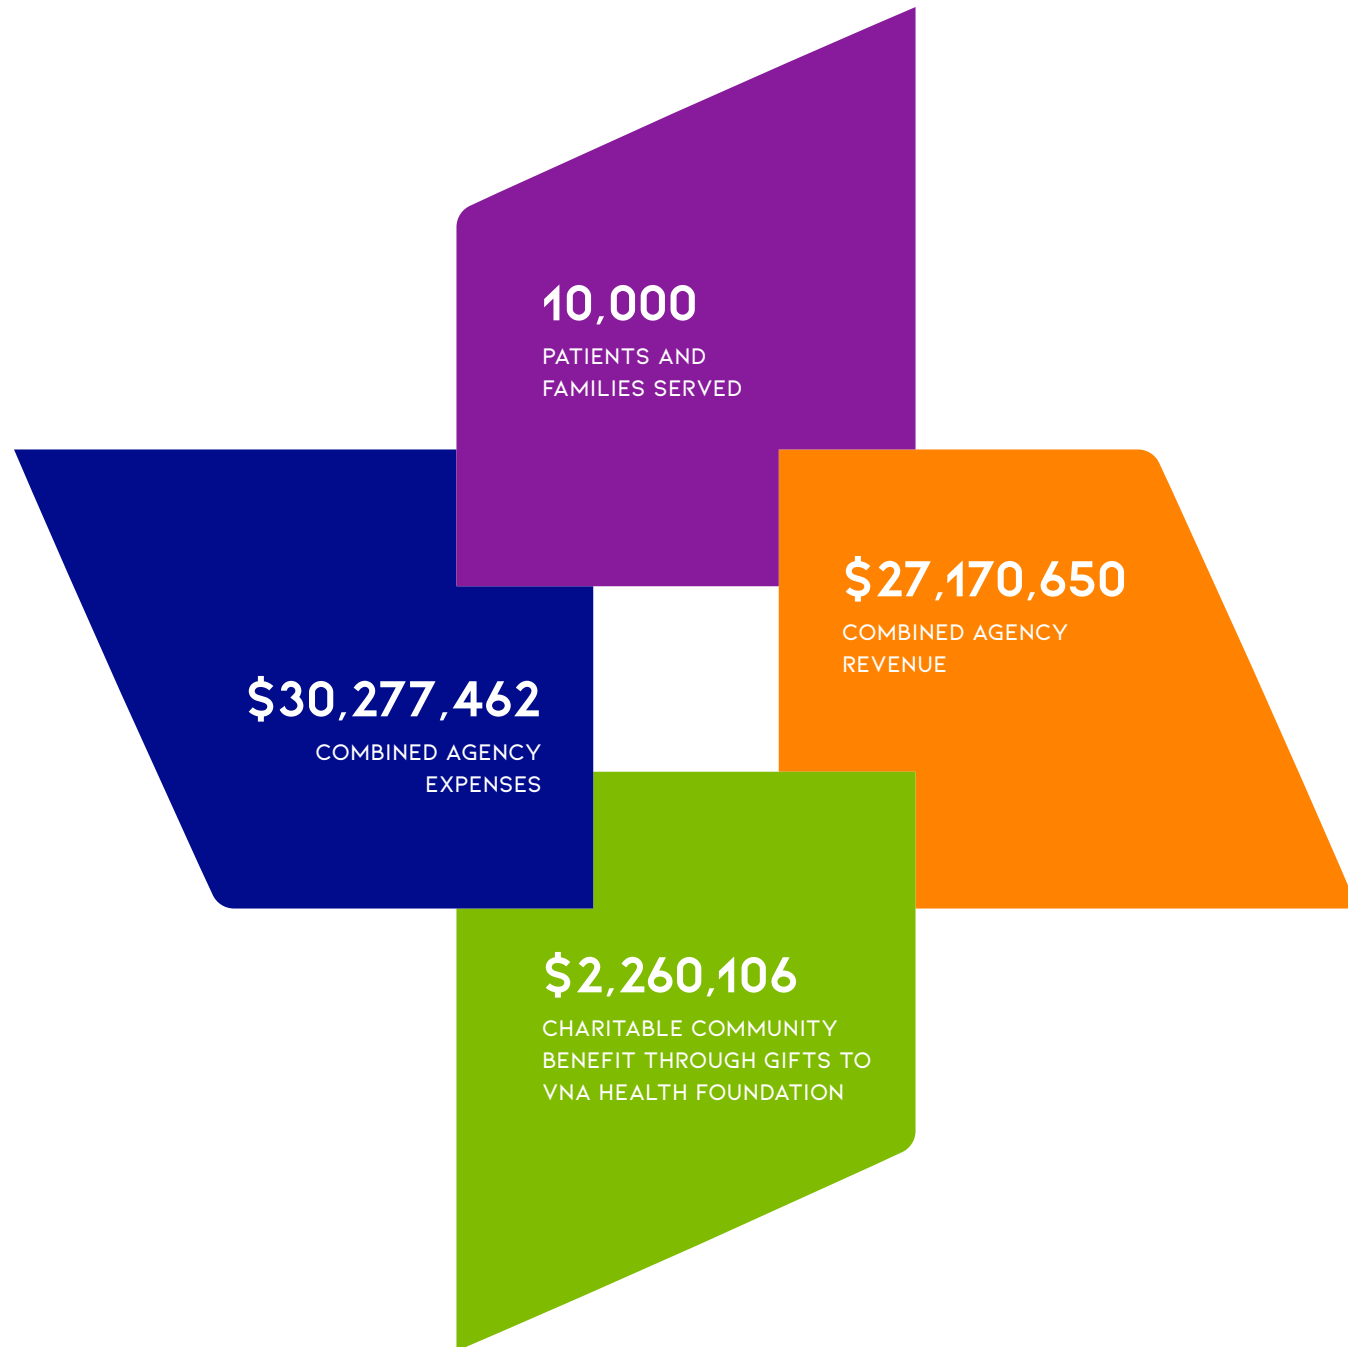

Kind regards,

Rick Keith

**LOAN CLOSET
HELPS PEOPLE REGAIN
THEIR INDEPENDENCE
AND LIVE WELL**

CARING SINCE 1908. VNA Health is proud to continue the Loan Closet legacy and services that began more than 110 years ago. "There will be a 'loan closet,' with bed linen, night clothes, rubber rings, and other nursing appliances, which are furnished patients during their illness," read a newspaper article on October 29, 1908. Today, VNA Health remains committed to sustaining the Loan Closet to ensure basic medical equipment and supplies are available to our community residents.

NEED MEDICAL EQUIPMENT? The Loan Closet at VNA Health has durable medical equipment such as wheelchairs, walkers, crutches, canes, and bathroom safety items ready to lend to Santa Barbara County residents at no charge. To inquire about availability of equipment or to make an appointment, please call 805.690.6235 or email loancloset@vna.health.

NEED TO RETURN OR DONATE EQUIPMENT? When you no longer need medical equipment, please consider donating or returning it to the Loan Closet. Most small medical equipment is accepted, as long as it is in good condition. Due to limited storage space, large items such as hospital beds cannot be accepted as a donation. For tax purposes, we will be glad to provide you with written acknowledgment of your donation.

Angels Among Us

JOIN US!

During this Holiday Season, VNA Health invites you to our annual **Angels Among Us** remembrance services where we will join together as a community in reflection on loved ones who have passed.

We hope that you will join us in one of these heartwarming services. It is a time of reflection and shared connection that includes touching music, meaningful speakers, and a candle lighting ceremony. All family members and friends are welcome. Refreshments will be served after the service.

We are pleased to offer three different ceremonies in two locations—Santa Barbara and Buellton—in order to best accommodate as many guests as possible. We hope you can join us for this inspiring event.

VNA Health is honored and grateful to receive donations in memory or honor of a loved one. Your gift is an enduring tribute that will help us continue our mission to care for our community with compassion and integrity.

In recognition of your gift, your loved one's name is placed in our online Appreciation Garden, which we refresh seasonally. Names are placed in the Appreciation Garden every Friday and remain posted for 60 days.

Donations in lieu of flowers can be a wonderful way to honor the memory of a loved one. For Memorial Giving, the following language can be used in obituaries:

"In lieu of flowers, please make a donation in memory of (NAME) to VNA Health."

Patients and families are supported by an expert team including: physicians, nurses, home health aides, medical social workers, bereavement counselors, chaplains, music therapists, pet therapists, dieticians, chefs and specially trained volunteers.

*“Serenity House is a place so unique and inspiring,
even the most difficult times can bring about
