In our community,
we say YES.

ON THE COVER

ANDREW FIRESTONE AT THE 2019 MOTHER'S DAY LUNCHEON

The 18th Annual Luncheon raised the most in its history at over \$400,000! The support from this event allows us to say **yes** to our patients' challenges and needs. Check out the 19th Annual Mother's Day Luncheon VIRTUAL CELEBRATION at

SANTA BARBARA ZOO'S LITTLE MAC

Celebrating Synergy

BEREAVEMENT IN THE COMMUNITY

VNA Health Bereavement Counselors help Zoo staff and volunteers process their grief over the loss of Asian Elephant, Little Mac.

VNA Health Bereavement counselors started a grief session twice a month at SBCC to help students' mental and emotional wellness.

GENEROUS COLLABORATIONS

In addition to regularly donating their soothing pillows to Serenity House patients, owner J'Nelle Holland ran a Valentine's Day campaign with proceeds benefitting VNA Health.

Provided free tickets to a young family with a child on VNA Home Hospice who needed fun, family bonding time.

PROUD PARTNERSHIPS

The **Coastal Quilters Guild** graciously provides quilts for the VNA Health Vet-to-Vet Program pinning ceremonies for Veterans on Hospice. Families have the option to hold onto them as a keepsake.

Flower Empower, a program of Dream Foundation, has created beautiful bouquets for VNA Health Hospice volunteers to deliver to VNA Health Hospice patients for over 12 years.

SUPPORTING COMMUNITY EDUCATION

VNA Health supports the **Alzheimer's Association** and **American Heart Association** walks to promote the research for treatment and cure of many patients on VNA Health services, and also sponsors the **FSA Senior Expo** to help provide valuable information and services to the senior community.

Mind, Body & Soul Series of the **Marjorie Luke Theatre** delivered inspiring speakers for the overall wellness of the community. VNA Health was proud to sponsor two speakers, Dave Mochel and Noah benShea, that the Marjorie Luke Theatre brought to the community.

BRIAN SMITH

A past VNA Health Board President and long time supporter who recently transitioned off the Board.

VNA HEALTH 2019 UPDATE

We re-branded from Visiting Nurse & Hospice Care to **VNA Health**; we may have a new logo and name, but our services, care, and compassion remain the same.

Home Care Assistance (HCA) located in Montecito acquired our private-duty service line for the best interest of our organization, employees and community. Our current Personal Care Services clients continued to receive services without interruption during the transition. VNA Health and HCA worked together to ensure seamless support and quality care.

A community that says YES!

I once heard a speaker at a conference say, "The word YES has magic within it." I understood the point she was trying to make. Yet, I couldn't shed the notion that magic is all about 'what you don't see!'

To me, the word YES is all about 'what you do see' and the outward effect is not merely magic, but power! The kind of power that:

- + changes lives
- + guides us with creativity and love, not fear
- + bestows dignity and grace to those who desperately need it
- + provides a sense of self worth and independence to people who feel helpless
- + refills purpose in those who experience a void, or loss
- + dispels deadly silence and, instead, puts a song in our hearts
- + casts aside misery and lets miracles happen!

This Impact Report is filled with people just like you who said YES to VNA Health and to our community last year. You acted upon what you saw with generosity and kindness and you empowered us to take care of those who might have otherwise gone unseen.

We are blessed to live and work in a community that says YES. Many of you have already said a generous YES to us in 2020 as we face these unprecedented times dealing with COVID-19. All of us in the VNA Health Foundation are deeply grateful for your gifts of support in 2019 and we look forward to helping you help so many more patients and families in 2020.

Kind regards,

Rick Keith
Executive Director
VNA Health Foundation

A NOTE TO OUR SUPPORTERS

We appreciate your generous donations to VNA Health Foundation—formerly Visiting Nurse & Hospice Care Foundation—and we want to recognize everyone properly. Every effort has been made to ensure the accuracy of our donor information. If we have inadvertently made an error, please contact VNA Health Foundation at (805) 690-6290 with concerns or corrections. Please know that any gifts made moving forward will continue to support the same programs and services that have always been made possible through the Foundation and generosity of our community.

MEET BECKY

Becky Bautista is the VNA Health nurse in charge of monitoring daily the 18 patients on Telehealth. VNA Health is the only local homecare agency with Telehealth, which is a donor-funded program using technology to monitor high-risk patients. Becky ensures patients' blood pressure, heart rate, and other vitals are on target and helps patients adjust their medications, diet or necessary activities. Becky not only keeps these patients safe in their homes, but helps to reduce hospitalizations and unplanned doctor visits.

YES TO INNOVATION IN CARE

The daughter of a Telehealth patient in 2019 expressed her sincere gratitude for the program and jokingly refused to let her mom be discharged because her mother has not been hospitalized for over a year since joining the program, when before she was at the hospital on a monthly basis. Her mom is not only being monitored, but learning to take better care of herself and her symptoms to avoid hospitalizations.

**WE ALWAYS SAY YES**

In 2019 VNA Health was proud to care for a baby on hospice. The baby had serious health complications and was waiting in the hospital for a corrective surgery. After months in the hospital, the parents wanted normalcy for their family, especially their eldest child—a toddler—and were given the option to go onto VNA Health Home Hospice, which would allow them to go home. They treasured those weeks of “normal” home life prior to surgery with BOTH of their children, and the care their baby received to stay comfortable during that time. VNA Health was the only hospice that would care for this patient.

DID YOU KNOW?

Other local hospice agencies often won't take complicated cases, such as pancreatic cancer patients, because their medications or care outweigh reimbursements. Because of you, VNA Health always says yes.

YES TO STAYING AT HOME

In 2019, a stroke victim who was a resistant in an assisted living facility, yet bed bound, remained safely at home with VNA Home Health services and progressed successfully to be able to use a cane. His desire to remain in his own home was made possible, and his physical health greatly improved.

MEET SOCORRO

A mother, nurse, and VNA Home Health Manager, Socorro Rosales has been passionate about caring for VNA Health patients for years.

“Patients are discharged or sent home not knowing if they will be able to take care of themselves. That’s where we [Home Health] come in.”

VNA Home Health keeps patients living well at home through skilled nursing, physical therapy, occupational therapy and speech therapy.

YES TO FINDING JOY

Because of you, a Hospice patient who struggles with verbal communication due to her diagnosis of Alzheimer's disease is able to recall lyrics and find joy in singing during Music Therapy sessions with VNA Health's certified Music Therapist, Stefana. See more of this story in the Independent's *End of Life Matters* issue.

YES TO HOPE

In 2019, music was used to continue to heal our community after tragedy. At the 18th Annual Mother's Day Luncheon, Grammy-nominated artist, Andra Day, and 2018 debris-flow survivor, Lauren Cantin, performed Day's uplifting song *Rise Up*, for an emotional crowd remembering the mothers who passed in the 2018 tragedy. This was another beautiful example of how music is medicine, a phrase that perfectly describes the VNA Health Music Therapy Program.

YES TO PEACE

In 2019, Ed and Sue Birch (2020 Honored Mother) and family said farewell to their beloved piano teacher at Serenity House. He taught three generations of the Birch family, and they were comforted to know that in his final days, he received the highest quality of care, including Music Therapy, for the musician himself.

YES TO QUALITY CARE AND CUSTOMER SERVICE

In addition to the general public utilizing the Loan Closet, VNA Home Health therapists bring needed equipment from the Loan Closet directly to their patients. Each therapist sees an average of 4-5 patients a day, and each patient needs an average of 3-4 pieces of equipment... adds up to a hefty amount of medical equipment being distributed by VNA Health directly to the patient's home!

252**PATIENTS RECEIVED PALLIATIVE CARE**

Because of you, Community Palliative Care is offered to all eligible patients, regardless of their ability to pay. Palliative Care is still non-reimbursable through most insurances, however VNA Health and partners maintain a commitment to keeping all patients comfortable and living well.

**THANK YOU**

We extend heartfelt gratitude to Advanced Veterinary Specialists for extending their sponsorship of the VNA Health Pet Therapy Program to support recruitment efforts and maintenance of current Pet Therapists. Pet Therapy visits are treasured amongst patients, and offered for all VNA Health Hospice patients to enjoy. To learn more, visit vna.health/pettherapy

YES TO SUPPORTING THE WHOLE FAMILY UNIT

A brother and a sister passed within days of each other at Serenity House in 2019. Although a devastating tragedy for all surrounding them, their family was reassured by the compassionate care they received from House staff, and the endless support the family received to get through such a challenging time.

YES TO NO ONE DYING ALONE

Volunteers do everything from simply being a needed companion to driving patients to appointments to being at the bedside for the patient’s last breath when no one else can. They go above and beyond, like Arlene Radasky, No-One-Dies-Along (NODA) volunteer and Death Doula. In a patient’s final hours, Arlene brought a battery-operated fountain and a soft, silk blanket; and within moments, the patient’s breathing went from struggling and raspy to calm and rhythmic, giving the patient peace and dignity in life and death.

YES TO THE LITTLE THINGS

In her final days, a bed-ridden mother could not see her beloved rose garden from her room. Her Hospice volunteer responded to this predicament by bringing her beautiful bouquets of roses, procured by Dream Foundation's Flower Empower program, to bring her joy and make her feel more at home.

YES TO EVOLVING TO ALL SITUATIONS AND NEEDS

Like VNA Health caregivers, VNA Health volunteers have a big heart and go above and beyond in so many ways. In her final moments, a patient's young grandchildren were too frightened to go in her room and say goodbye. The patient's volunteer sat with them and together they made beautiful cards for their grandma, and wrote down their farewell notes. The volunteer had the honor of sharing their cards and notes with their grandma on their behalf; the children could say goodbye on their own terms, and the patient was comforted in her final moments.

What's to Come in 2020?

Thanks to your support, VNA Health has been able to continue our full spectrum of care and charitable programs in 2020, amidst the challenges of COVID-19. Additionally, your support enables VNA Health to plan for the future to continue our founder's innovative and caring spirit, and help our community live well. We are excited to share future plans thanks to your support.

SERENITY HOUSE IMPROVEMENTS

- + NEW flooring throughout the House
- + NEW sofa chair/pullout beds in each patient room
- + Repairing stonework on the back patio
- + Repair front fountain post-drought
- + Transforming the Peter Murphy Spa Room to a new Peter Murphy Integrative Therapies Room for patients and their family members
- + NEW window awnings

VNA HEALTH AUXILIARY

COMING SOON The formation of the VNA Health Foundation Auxilliary, made up of dedicated, dynamic volunteers to serve as community liaisons for VNA Health and Serenity House. Through volunteer activities, the Auxiliary would help to raise funds for charitable care programs and services at VNA Health, and also to help maintain the garden at Serenity House.

Please contact VNA Health Foundation if you would like more information or are interested in participating in any of the above projects at (805) 690-6290 or foundation@vna.health

Appreciation Garden

VNA Health is honored and grateful to receive donations in memory or honor of a loved one. Your gift is an enduring tribute that will help us continue our mission to care for our community with compassion and integrity.

In recognition of your gift, your loved one's name is placed in our online Appreciation Garden, which we refresh seasonally. Names are placed in the Appreciation Garden every Friday and remain posted for 60 days.

Donations in lieu of flowers can be a wonderful way to honor the memory of a loved one. For Memorial Giving, the following language can be used in obituaries:

"In lieu of flowers, please make a donation in memory of (NAME) to VNA Health Foundation."

Those wishing to make a gift in memory or honor of someone may do so by:

Consider making the gift of a lifetime.

Planned gifts secure the future of care for our community by sustaining VNA Health's mission. Please consider making a planned gift today and joining the Samaritan Society, an esteemed group of individuals invested in the longterm future of VNA Health.

"Almost from its inception, I have been proud to be a part of the Samaritan Society. I cannot imagine a more satisfying way to help ensure that the compassionate mission of this amazing and wide-range community service and care will continue on into the future."

Janice Fitzgibbons

VNA HEALTH SAMARITAN SOCIETY MEMBER

For questions regarding Samaritan Society, or to notify VNA Health Foundation of your planned gift, contact Brittany Avila Wazny at (805) 690-6290 or brittany.avila@vna.health
