VNA Health was founded as Visiting Nurse Association 115 years ago, on November 8, 1908, “for the good of the community and out of compassion for those less fortunate.” The visiting nurse program would go on to provide healthcare for those without resources or adequate insurance, those away from home, or those unable to or not inclined to go to the hospital. It took two hundred impassioned women, who were financially sustaining members, to start “the first, non-hospital health care services in Santa Barbara, pre-dating city and county health departments and school nursing programs.” Then and now, VNA Health needs the support of its community to do the great work it does.

Today, VNA Health continues the legacy of care for our community. It is the only licensed nonprofit comprehensive home health, inpatient and home hospice agency in Santa Barbara County, with a charitable mission. In 2022 VNA Health extended \$2.7 million in these charitable programs and services, and the need for all services continues to grow. Like our founders, we are committed to providing this quality care for all members of our community for generations to come. And we can only do that with your support. We are all one community family, and we are resolute to care for one other.

Thank you for your appreciation and dedication to our mission,

Kieran Shah, CHPCA
PRESIDENT & CEO

WHY I GIVE

VOLUNTEER

I came to be a VNA volunteer from being a client of bereavement services after being newly widowed. I was so impressed with the organization and its overall mission, I wanted to see how I could give back. Lucky for me there was an opening in the Foundation for administrative support so I jumped at the opportunity. Volunteering for VNA has given me stability and purpose when I needed it the most.

BOARD OF DIRECTORS

As a local primary care provider, I have often referred patients to VNA for home health, hospice, and medical equipment at the loan closet. After losing my brother in the summer of 2022, I realized that I needed help from VNA Health. I referred myself to grief counseling with Dairine Pearson. It was so helpful to tell my story and remember my brother. I am so thankful for VNA and the help they provided for me in a time of need.

SAMARITAN SOCIETY MEMBER

It is a privilege to be a VNA Health Legacy Donor. My husband and I arrived in Santa Barbara 46 years ago to enjoy our retirement years. Life experiences forced us to eventually require medical assistance. When Serenity House opened its doors, we were there not knowing at that time that Norman would spend the last days of his life pain free, in loving care. I was depressed in need of Bereavement Counseling, and VNA Health brought me out of my days of despair, free of charge.

Presented by Lady Leslie Ridley-Tree, the 2022 Mother's Day Luncheon was a beautiful event at the Rosewood Miramar Beach Hotel. The doors opened with the traditional Togen Daiko Taiko Drummers, and the day continued with The Westmont Chamber Singers, Hula Anyone dancers, State Street Ballet dancing to the voice of Remembered Mother Marcella Rinehart Parker, and a special surprise for Honored Mother Keiko Dunham. Enjoy the day online at vna.health/2022mothersdaypics

Adrienne and Andy Davis hosted the 2022 Men's Night at their stunning home on the Riviera. The annual event to support the Mother's Day Luncheon was one of the most successful ever, and the men enjoyed getting together, with a little friendly poker, corn hole, and a music jam adding to the fun. SPECIAL EVENTS

VNA Health is the only nonprofit home health and hospice care agency in Santa Barbara County.

It's serious business. But we like to have fun doing this great work, and our special events help us to reach into our community and honor it for what makes it special.

We are incredibly grateful to the sponsors of our events. For 115 years, the only way that VNA Health has been able to continue its charitable programs and services, and sustain its care for our community, is through the generosity of our donors and sponsors.

Whether it is the MOTHER'S DAY LUNCHEON or CHARITY REGATTA, friends, family and neighbors can enjoy the different events and support VNA Health's care of the community, and have fun at the same time.

Become a sponsor for our events and have a good time doing good work. Call VNA Health Foundation at (805) 690-6290 or email foundation@vna.health

The Santa Barbara Yacht Club hosted the 18th Annual Charity Regatta and VNA Health was honored to once again be the beneficiaries of this fun and exciting event. The day was full of happy guests who loved being by the sparkling ocean and riding on the magnificent spectator boats. Ross Harper started the event with his fun tropical steel drums, and Davitt Felder and his band rounded out the day with fun dance music on the beach. Enjoy the fun online at vna.health/2022charityregattapics

The VNA Health Mental Health Workers along with the generous sponsors for the Charity Regatta were recognized at the Annual Sponsor Cocktail Party at the Santa Barbara Yacht Club. The guests enjoyed the sunset to the fabulous guitar of Michael Holland, along with an engaging and meaningful program. View the special evening at vna.health/2022cocktailpartypics
