It is with immense gratitude that we present to you our 2023 Annual Report, which is a testament to the power of community and our shared commitment to providing compassionate and trusted care that prioritizes people over profit.

VNA Health is Santa Barbara County's only nonprofit, medically licensed in-home provider of home health care, palliative care, and hospice care. In addition, VNA Health has committed to providing more than \$2.4 million each year in charitable Community Care programs including the Loan Closet, Pet Therapy, NODA Volunteers (No One Dies Alone), Pediatric Concurrent Care, and subsidized charity care at Serenity House.

Throughout the past year, your generosity and dedication have enabled us to make a profound difference in the lives of more than 8,700 patients and their families. Thanks to your support, VNA Health ensures that any person, including those with limited resources, has access to care to maintain health, live independently, recover from illness or surgery, receive bilingual bereavement counseling, and transition at end of life with dignity and comfort. Together, we have strengthened the safety net of health and well-being for Santa Barbara County families, ensured quality medical care, and empowered individuals to live with dignity and independence. Your belief in our cause has not only sustained us but has also inspired us to innovate and strive for excellence in everything we do.

Each contribution and gesture of support has been instrumental in our mission and vision. At VNA Health, our success is measured not just in numbers, but in the smiles we bring, the comfort we provide, and the hope we ignite. Thank you for walking with us on this journey of caring for our communities. Together, we are shaping a future where everyone has access to the care they deserve so that they may live well.

With gratitude,

Kieran Shah

When I think about the core of what vulnerability really means, regardless of social status or economic status, education- it all goes away instantly when talking about end of life, for any person, it doesn't matter—that is when you are the most vulnerable. Whether it's a family member, a loved one, you are the most vulnerable you will ever be, and it is a path that needs guiding. And there are very few people that are able to light that path, and we are here to support the organization that supports the most vulnerable. My family has been the beneficiary of that guidance and I am eternally grateful.

Eventually the move to Serenity House creates a special, tender, and loving way to assist the patient during the last days. After my wife's passing, the visiting nurses continue their care toward me in assisting me for the grieving process and again many services are available for the survivors. It is said that there are "Angels Among Us." Yes there are—and they are in VNA Health and Serenity House. With deep gratitude, I thank you.

Growing up as a troubled teen, I didn't believe in help or support, and I didn't want any. When first introduced to VNA and our nurse Denise, I wanted nothing to do with them. Something changed my mind. When my dad was diagnosed with cancer, we were surrounded with people who wanted nothing but for us to succeed. VNA Health introduced me to John Daly, Leslie Person Ryan, and Rod Lathim, and they continue to support and care for me and my brother. I still receive amazing support from the community at large, and along with Leslie, John and Rod's kindness and commitment, their generosity has made me want to be part of that kind of giving in the future. Thank you VNA, Denise, Leslie, John, Rod, Grandma Lamar, and so many others.

SAMARITAN SOCIETY

A promise today for care tomorrow

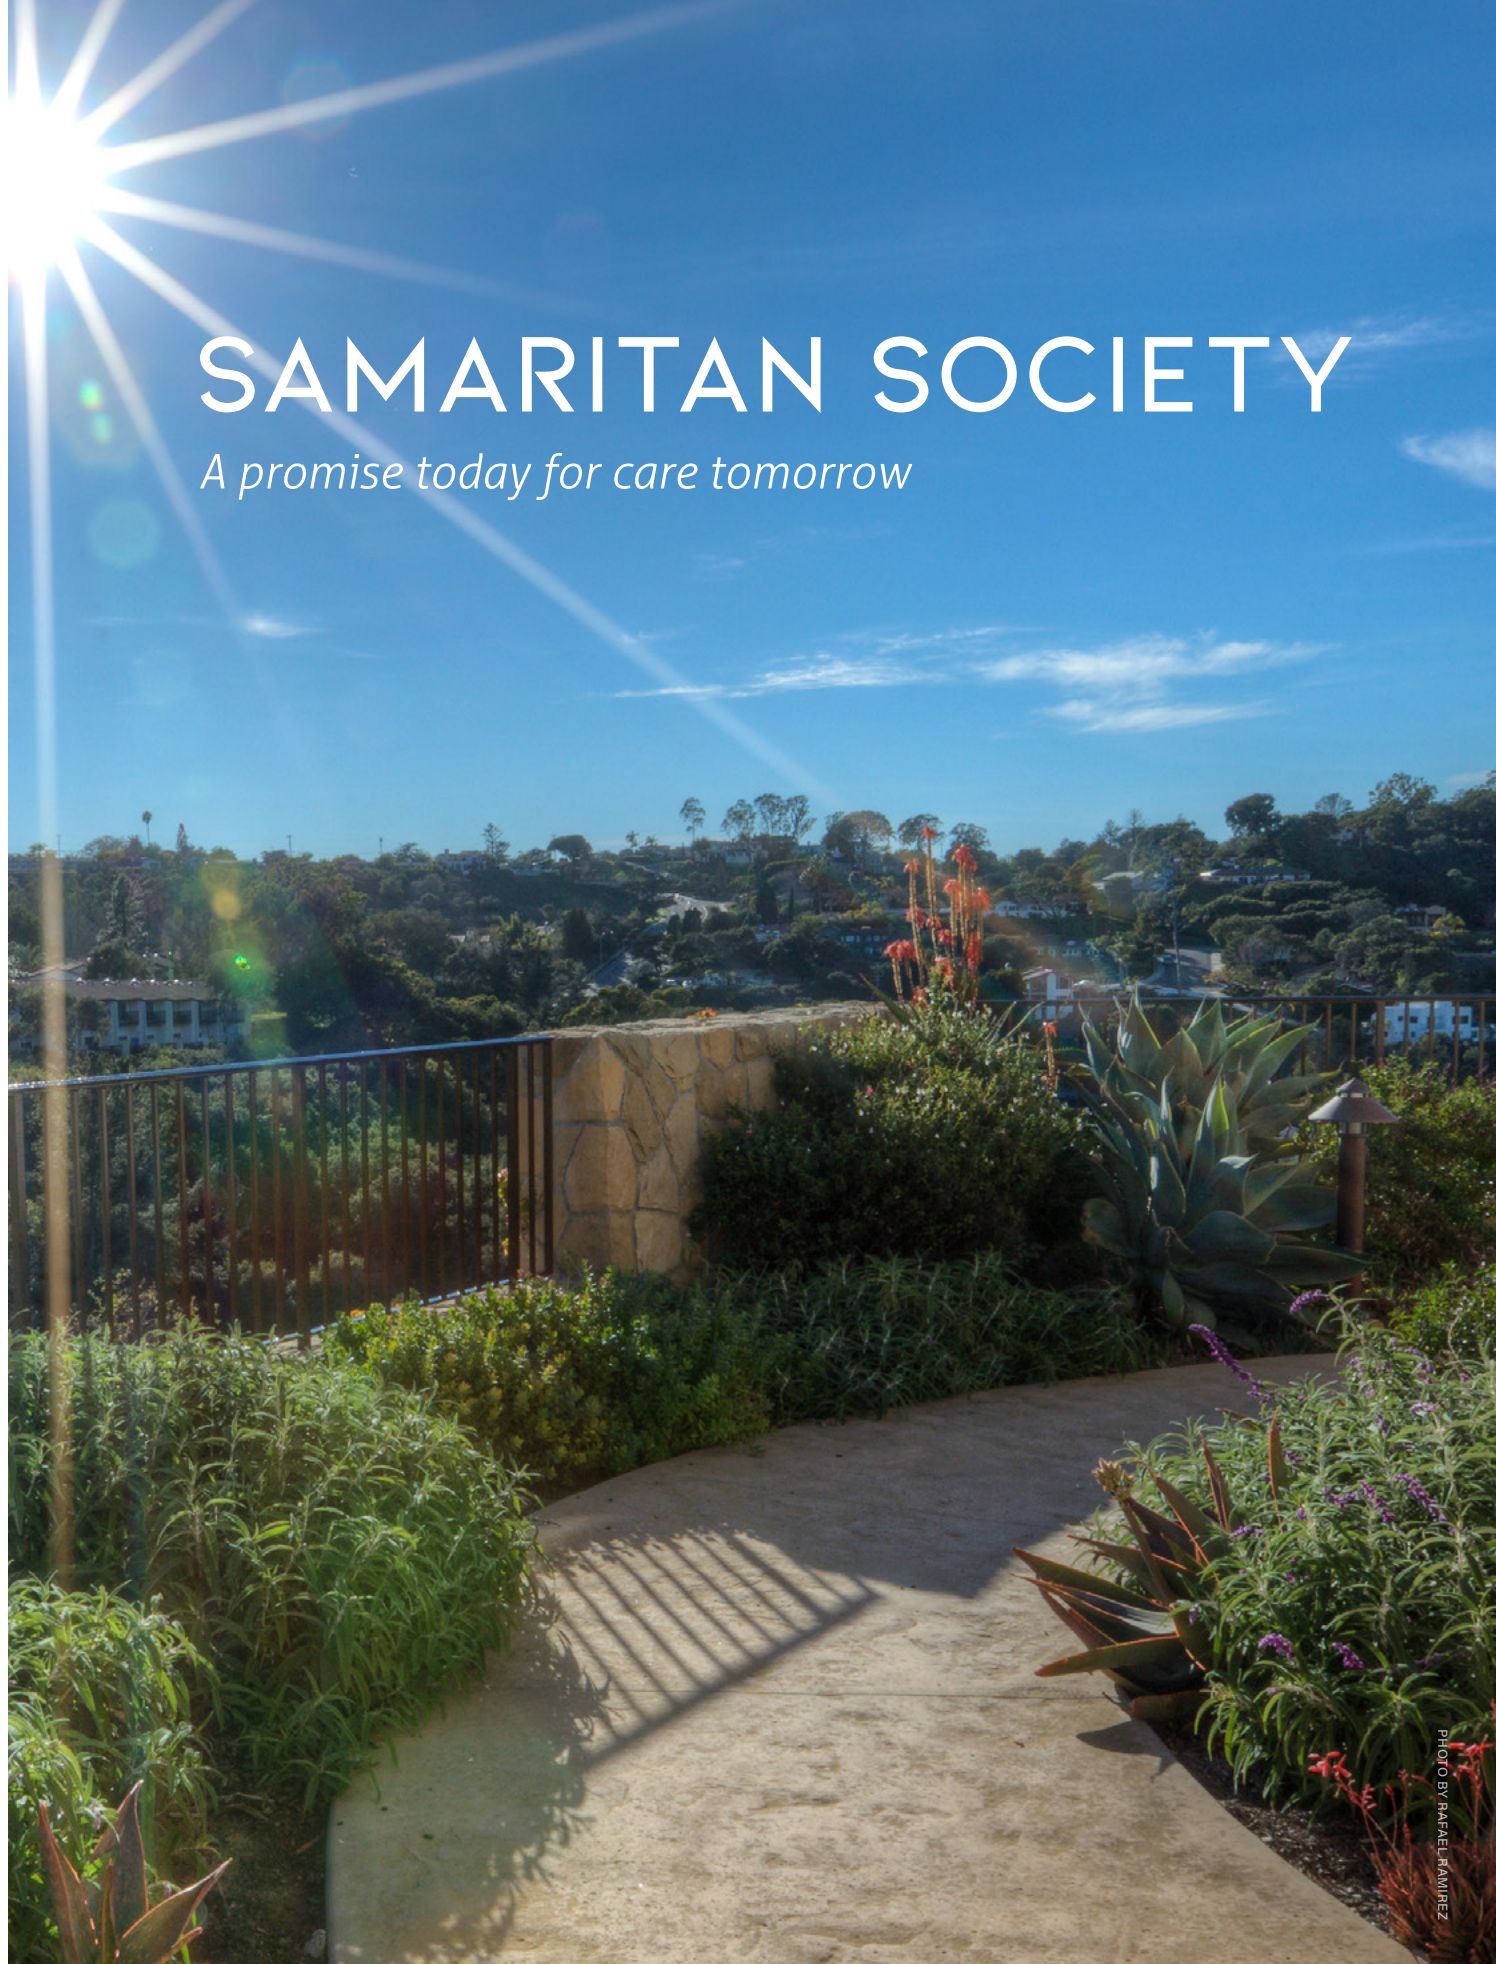

PHOTO BY RAFAEL RAMIREZ

For more than 115 years,

VNA Health has provided compassionate and trusted care to generations of patients and their families. The Samaritan Society is a community of individuals who have pledged to continue VNA Health's vision of health and dignity for all through planned gifts.

Our Samaritan Society members have embraced the power of planned giving and forward-thinking to become our guiding light to ensure the overall health and well being of our communities for the next century. With heartfelt gratitude, we honor and recognize both current members and those who have recently passed.

By including VNA Health in your estate plans, you can create a lasting legacy of support for the future care of the next generation. A planned gift can take various forms, such as a bequest in your will, naming VNA Health as a beneficiary of a life insurance policy or retirement account, or establishing a charitable trust. Each option offers unique tax benefits and can be tailored to meet your financial planning goals and your philanthropic vision. Beyond financial support, your planned gift demonstrates a profound commitment to VNA Health's mission, ensuring that patients receive the specialized care they need when they need it most.

To learn more about leaving a legacy of care for future generations contact Maggie Mabuchi at (805) 690-6260, foundation@vna.health, or vna.health/samaritansociety.

Roberta and I have been supporters for VNA Health for over 20 years. It has been a most extraordinary journey and we continue to be proud of all they do for everyone in our community. When I was on the Board of Directors, I was committed to helping everyone, including those that could not access healthcare. This is why we have included VNA in our estate plans—to ensure that their great work in the community continues for another 115 years.

SAMARITAN SOCIETY

A promise today for care tomorrow

We feel so strongly about all the great work that VNA Health does for our community that we couldn't think of anything more worthwhile as a legacy than financially helping VNA continue that mission after we are gone. Other than helping our own family, what else could be better?

PERRY GIBSON & KEN KRAUS, BOARD MEMBER

69 PEOPLE HAVE INCLUDED VNA HEALTH IN THEIR ESTATE PLANS

The Samaritan Society is a community of individuals who have pledged to continue VNA Health's vision of health and dignity for all through planned gifts in their estate plans. VNAHealth
22ND ANNUAL
Mother's Day Luncheon

The 2023 Mother's Day Luncheon was a special and heartfelt event celebrating Honored Mother **Rona Barrett** and Remembered Mother **Dame Olivia Newton-John**. On a beautiful day at the Hilton Santa Barbara Beachfront Resort, the program opened with musicians and award-winning flamenco dancers, featuring Natalia Trevino, the granddaughter of VNA staff member Susi Torres-Cruz. The day continued with the San Marcos Theatre Group performing "You're the One That I Want" and moving tributes by actress Jane Seymour and Dame Olivia's family. Fannie Flagg had everyone laughing with her stories about Rona, and the day closed with words from Dame Olivia's song—"Live On." Experience the love at: vna.health/2023mothersdaypics

VNA Health was very grateful and honored to once again be chosen by the Santa Barbara Yacht Club as the beneficiaries of the 19th Annual Charity Regatta. The guests were treated to spectator boat rides on the ocean while they enjoyed a beautiful day with their friends and families. The steel drum of Ross Harper put everyone in a festive mood, and Davitt Felder and his band again had the crowd rockin' and rollin' on the beach! Delight in the day: vna.health/2023charityregattapics

The **Memorial Boat Ceremony** honoring loved ones that have passed was moving and meaningful.

Tom Murphy
MEN'S NIGHT

Ginny and Tim Bliss hosted the 2023 Men's Night at their exquisite Carpinteria avocado ranch. A dozen "Carticipants" and their exotic and vintage cars lined the driveway as the guests entered, and live piano music from John Douglas filled the house. The guys enjoyed cornhole, poker, and delicious food from Pane E Vino, and raised one of the highest amounts in history to support the Mother's Day Luncheon. Enjoy the fun: vna.health/2023mensnightpics

*Charity Regatta
Cocktail Party*

Palliative Care Professionals and the generous Charity Regatta Sponsors were appreciated at the 2023 Charity Regatta Sponsor Cocktail Party. Along with fabulous guitar music from Michael Holland and a moving personal testimony from Bill Guilfoyle, Commodore David Sadecki asked for "a moment of silence and aloha for our Maui 'Ohana as they recover from the catastrophic wildfires." Feel the care: vna.health/2023cocktailpartypics

"A huge asset to the community, and a worthy charity to support."

DAVID G

"A+++ service. Everyone was helpful and pleasant. I could not have asked for more. They went above and beyond." **KATHRYN**

"Borrowed crutches faster than I could have gotten them from urgent care—and can give them back—no landfill or crutches sitting in your closet for years." **CA**

DID YOU KNOW?

The average wheelchair or walker has a usable life span of more than five years.

VNA Health the Loan Closet is the only resource in Santa Barbara County offering free, short-term loans of wheelchairs, knee-scooters, walkers, shower seats, crutches, and canes.

Every year, the Loan Closet helps divert usable basic medical equipment from our landfills and saves our community residents more than \$1,000,000.
