Dear Friends,

Now in our 117th year, VNA Health remains Santa Barbara County’s trusted safety net — the only nonprofit, comprehensive medical provider of home health care, palliative care, and hospice services. Each year, we support more than 8,700 patients and families, helping them recover from illness, live independently, navigate grief, and experience end-of-life with dignity and compassion.

As we face the “Silver Tsunami” — the growing impact of the Baby Boomer generation on caregiving and healthcare systems — our mission has never been more critical. This demographic shift is creating an unprecedented need for care, not only for patients but also for the caregivers and families supporting them. Amid the uncertainty, one thing is certain — VNA Health is here to meet that challenge, just as we have for over a century.

We are unwavering in our commitment to ensure that every person, regardless of resources, has access to high-quality, compassionate care. This is not negotiable. It is our promise for the future.

Thanks to your generosity — through donations, volunteerism, and partnership — we continue to strengthen the fabric of care in our community. Together, we are empowering individuals to live with dignity, resilience, and independence.

Thank you for standing with us and for bringing hope and healing to our loved ones and neighbors when they need it most.

Warmly,

Kieran Shah

MICHAEL BORDOFSKY, MD

“As Medical Director of VNA Health for 30 years and an Internal Medicine physician in Santa Barbara, I’ve seen the critical role VNA plays in our community. Caring for over 500 patients daily, VNA is a vital safety net, providing essential home health and hospice care. Their impact is profound, and they deserve our strong support.”

LIEUTENANT COMMANDER
ROGER DECK, NAVY VETERAN

Roger has volunteered for VNA Health for the last six years along with his wife Joanne Deck, former VNA Health Volunteer Manager. When asked why he volunteers, Roger had this to say: “To be killed in war is not the worst that can happen. To be lost is not the worst. To be forgotten is the worst. I want to ensure our veterans are recognized for their sacrifice and service to their country.”

JULIANA FABIO, LCSW

Juliana has greatly expanded our ability to offer both individual and group counseling to the community. Her deep experience supporting families through difficult times — and her compassion — make her an invaluable asset. “As a bereavement counselor, it is an honor to be able to support people on their grief journey. I do this work because I want to be there for others in times of need.”

SAMARITAN SOCIETY

A promise today for care tomorrow

For more than 117 years,

VNA Health has provided compassionate and trusted care to generations of patients and their families. The Samaritan Society is a community of individuals who have pledged to continue VNA Health's vision of health and dignity for all through planned gifts.

Our Samaritan Society members have embraced the power of planned giving and forward-thinking to become our guiding light to ensure the overall health and well being of our communities for the next century. With heartfelt gratitude, we honor and recognize both current members and those who have recently passed.

By including VNA Health in your estate plans, you can create a lasting legacy of support for the future care of the next generation. A planned gift can take various forms, such as a bequest in your will, naming VNA Health as a beneficiary of a life insurance policy or retirement account, or establishing a charitable trust. Each option offers unique tax benefits and can be tailored to meet your financial planning goals and your philanthropic vision. Beyond financial support, your planned gift demonstrates a profound commitment to VNA Health's mission, ensuring that patients receive the specialized care they need when they need it most.

SUSI, GLENN, AND MIGUEL

If you’ve visited the Loan Closet, you’ve likely met Miguel. He first came as a recipient, borrowing a wheelchair during a tough time. “Medical costs can be overwhelming,” he shared. “The Loan Closet eases that burden. I’m happy to give back.” You’ve also likely seen Susi’s warm smile. As Administrative Manager, she finds joy in leading a team that truly cares. Her leadership helps keep the Loan Closet a beacon of hope.

LUNA AND SARAH McCARTER

From time to time, Serenity House is graced by a four-legged visitor named Luna, a gentle therapy dog with kind eyes and a calming presence. She quietly comforts patients and families, often resting her head in a lap as if to say, “I’m here.” Luna’s more than a comforting companion—she’s part of a tradition of service. Luna’s handler Sarah McCarter is a retired firefighter who served 28 years and helped break ground as one of the few women in the field locally.

Men's Night

Marilyn & Llew Goodfield hosted the 2024 Men’s Night at their stunning family ranch, where guests embraced the cowboy spirit with hats, boots, and an evening of fun. The night featured a hearty Cowboy BBQ by Los Padres Outfitters, tastings of local spirits and craft beers, and lively games of cornhole and poker. A standout moment was the raffle of an original Western-themed oil painting by artist George Paliotto. Proceeds helped underwrite VNA Health’s Mother’s Day Luncheon.
