## The Art of You

VALUE: \$4,000 TO \$7,000

**COMMISSIONED ABSTRACT OIL PAINTING**

Your personalized abstract art adventure will begin with a one-on-one conversation with the artist, **GAVIN J. PLANT**. You will be exploring beyond the color palette to discover what feelings the painting will convey. By sharing your important memories, places, and moments, Gavin will translate your concepts and ideas into something visual, intuitive, and personal. Your painting will be created alongside a tailored musical playlist or one provided by you, specifically to guide the rhythm, movement, and energy of the painting. The result is something very personal and unique—an abstract reflection of you.

A Welsh-born artist, Gavin has always remained creative. With a pencil and paper never far from hand, he returned to painting during a period of personal grief. What started as a therapeutic outlet turned into a creative practice that remains intimate and authentic. Rooted in abstraction, Gavin's paintings explore the interplay of color, texture, and form, embracing imperfection and impulsiveness.
